Welcome to 2023!

It is a NEW YEAR and old ways of thinking CANNOT cross over. This issue is designed to help you renew your mind. The stinking in your thinking, pouting in your doubting, and hating in your waiting must come to an end. I get it, we are all human and have real feelings that we battle through every single day. However, I want you to consider that nothing comes as a surprise to God. Therefore, you were made on purpose and not by accident. The things that you go through have purpose and therefore have design. We know that in all things God works for the good of those who love him, who have been called according to his purpose - Romand 8:28. In plain English that means that in Christ, we WIN. Be encouraged that no matter what it looks like and feels like, there is purpose in everything.

Live your life with intention knowing that you were MADE FOR THIS!

It is a new year and a new beginning. Live on Purpose and with Purpose!

## A WORD FROM THE EDITOR

# Welcome TO 2023

**EDITOR**  
**IRIS BURRUSS**

To have the opportunity to start fresh, new...to BE and BEcome the greatness in which you were created... what a fascinating and powerful concept. News Flash, it's not just a concept, it can be your truth in action. The irony is that we have this opportunity daily but somehow all year, we watch and take note of the speed at which the pages of the calendar flip from one month to the next until the eve of the new year arrives and we begin to evaluate the past year, feeling an urgency and a readiness to try again. So we begin making resolutions. Each year we find ourselves thinking about all the things we didn't accomplish in the year before and begin our list of new year's resolutions to try again. There's nothing wrong with trying again; in fact, you should be celebrated for not giving up, but the question is why do we keep repeating the same cycles? Why are we not able to sustain these changes we vowed to incorporate into our lives at the start of the year? The answer? Because we are just making resolutions, words/statements (empty promises) that we have not made a committed decision to see through. It's more of an empty promise we make to ourselves because below the surface of the words that sound good, we either don't know how to make it happen or we haven't spent time preparing, readying ourselves to begin the fresh start. What does that mean? Well, I believe that if you are repeating the same cycle, you may be stuck and in order to stop the ride and get off, you have to figure out what is keeping you from moving from this place. So, just like the year before, we watch the seasons pass and find ourselves approaching yet another new year having repeated this cycle called, stuck. Well, let's look at this new year through a different lens; let's do something different. It is true that God is so amazing that He provides us with opportunities daily to learn and grow. So, if you are still here to see another day, there is still hope, opportunity, and purpose for you in this life. So don't be so hard on yourself if you get off track; don't abandon your course, just evaluate, and continue the journey. In this new year be encouraged. Be intentional about seeking and building a stronger relationship with God. These articles will encourage you to begin again by finding your boldness and confidence in yourself through Christ. "Take my yoke upon you and learn of me" ..... Include Him in your daily life and watch Him move. HAPPY NEW YEAR!

# OR HOPE HYPER?

Happy New Year! Welcome to another year's journey. At the beginning of a calendar year, we usually look forward to the things we hope to do or that we hope will happen. In the year of our Lord 2022, there were quite a few loved ones that went to their eternal reward. For some it was sudden, for others, who may have suffered physical ailments, perhaps they felt it was long overdue.

However, all of us can learn to look forward with hope, no matter our situation in life and no matter how small the hope is. For, hope has a tendency to **grow!**

In his letter to Titus, Paul makes sure that Titus is aware of the Hope that is available to him. Specifically, the Hope of Eternal Life! As a leader in the Church, Titus would have to endure many difficulties and Paul was encouraging him to have hope. In today's world, we must be able to discern the difference between **Hope and Hype!**

Hype, as a verb, is defined as this: "to promote or publicize (a product or idea) intensively, often exaggerating its importance or benefits:" (Oxford Dictionary) However, Hope, as defined in the Bible, is a **confident expectation that God will fulfill His promises to us.**

Often, we are disappointed in the man-made things that have been excessively hyped up. Even the best-made things require a warranty, due to a projected number of failures. I spent over 30 years installing and repairing scientific instrumentation, because although the sales brochure bragged about features and capabilities, they all needed fixing, or required the purchase of an extended

warranty. But there is a wonderful hope in God's Word that doesn't require a warranty. It extends the life of the individual. Paul says that he serves the Lord, **"In hope of eternal life, which God, that cannot lie, promised before the world began."**

When our Lord sent us the Holy Spirit, our spirit was fixed. When the creator of all, makes a promise, you can place your hope, faith, and life in it! **It is guaranteed.**

**So, don't believe the Hype of this world, but please believe and Hope found in God!**

# MOVING INTO A NEW BEGINNING

The month of January is one of my favorite times of the year. Not just because it is my birthday month, but because it represents the dawning of a new year. After being intensely connected to something for 365 days, it becomes necessary to embrace something new. Moving into a new time, season or dispensation requires a separation from things that are or have become familiar. Therefore, before moving into a new season in your life, you must go through a time of preparation.

Webster's dictionary defines "new" as something nonexistent or something being discovered for the first time. To tap into this understanding, one must possess faith. Heb.11:1 declares that it is faith that allows us to touch or connect with things we hope for that are unseen or unknown. A key principle at work here is "NEW" cannot be received without revelation.

December represents the month of revelation. Christ the King was born in this month which is the month prior to a new year. His birth represented a new way of life that was coming into the world that had never been seen before but is now being seen for the first time. Knowledge of what his life will eventually bring is wrapped up in our faith to trust that what

was being revealed would bring about a much-desired new beginning. Our preparation began in November as we were offering thanksgiving to the Lord for what we had received during the year and receiving the prophetic revelation from the Word of God in Psalms 95:2 which says let us come "before" his presence or before he shows up, with thanksgiving. This revelation is so powerful because it lets us know that something new is about to arrive and the proper way to receive it is by giving thanks before the thing that we are looking and hoping for appears! How wonderful it is to get a preview of a coming attraction! Glory!

Lastly, our confidence in the expectation for a new beginning starts to soar as we attach our desire for a year of something new to the thought that the Apostle Paul writes about by forgetting and separating from the past to grasp or take hold of something entirely foreign that promises to exceed anything experienced from the past! The Prophet Isaiah declares in chapter 43:18 not to even consider the things that are old because God is about to do a new thing in our personal lives, and he wants us to be prepared to receive it! As we move into this new season, get rid of the old to make room for the new and watch the Lord spring up the new thing that brings about a praise no one has ever seen before! HALLELUJAH! Be blessed!

“This is what God says, the God who builds a road right through the ocean, who carves a path through pounding waves, The God who summons horses and chariots and armies— they lie down and then can’t get up; they’re snuffed out like so many candles: “Forget about what’s happened; don’t keep going over old history. **Be alert, be present. I’m about to do something brand-new. It’s bursting out! Don’t you see it? There it is!** I’m making a road through the desert, rivers in the badlands. Wild animals will say, ‘Thank you!..... Because I provided water in the desert, rivers through the sunbaked earth, drinking water for the people I chose, the people I made especially for myself, a people custom-made to praise me.” Isaiah 43:16-21 MSG

In Isaiah 43:16, God tells us to forget about what’s happened and don’t keep going over all history. For us to embrace the new beginnings in 2023 and all that God has for us, we must put the past behind us and leave it there!

“See, I have appointed you this day over the nations and over the kingdoms, To uproot and break down, To destroy and to overthrow, To build and to plant.” Jeremiah 1:8-10 AMP

**PRAYER FOR 2022:** According to Your Word, God, we are asking You to uproot, break down, destroy, and overthrow all things from 2022 that were detrimental to our spiritual growth, and advancement in the Kingdom, and that blocked our blessings. We are asking that you uproot, break down, destroy and overthrow: ungodly living, the enemy’s foothold, confusion, disunity, backbiting, unforgiveness, jealousy, disobedience, sexual perversions and immortality, poor choices, bad financial decisions, greed, unkindness, selfishness, hidden agendas, sicknesses and all diseases, generational curses,

unhealthy relationships, and anything that is within us or around us that does not align with Your Word, Your purpose, and Your ordained destiny for our lives In Jesus’ Name, Amen!

Glory to God! We have swept the house! We can begin 2023 with a clean slate! Hallelujah!!

**DECLARATION FOR 2023:** “And the Lord your God will circumcise your heart and the hearts of your descendants [that is, He will remove the desire to sin from your heart], so that you will love the Lord your God with all your heart and all your soul, so that you may live [as a recipient of His blessing]. Deuteronomy 30:6 AMP (The Lord replied,) “Look among the nations! See! Be astonished! Wonder! For I am doing something in your days— You would not believe it if you were told.” Habakkuk 1:5 AMP. “This is what God says, the God who builds a road right through the ocean, who carves a path through pounding waves, be alert, be present. I’m about to do something brand-new. It’s bursting out! Don’t you see it? There it is! Isaiah 43:16,19

# THE REVEAL - NOW IN 2023 !!!

*"It is He who reveals the profound and hidden things; He knows what is in the darkness, And the light dwells with Him." Daniel 2:22*

It is a new year. You are beginning that new chapter of your life. The past plans that have been developed each year seemed froth with - ifs and when's. What does this mean? When and If, or If and When I accomplish this or that, I will be ready to move to that next level or focus on the next goal. I will be ready to dust off that dream. I will be able to give proper attention to that important but non-critical project. It is 2023. The prospects of new horizons bring some excitement, to others enticement, and the availability to all enlightenment.

The Word of the Lord is about enlightenment in the new year, The Great Commission - that His kingdom be lifted up. His plans have not changed, and the resolve of the believer must be to include reaching the lost. Enlightenment is the intellectual and moral effect produced in the spiritual experience of believers by the reception of the Christian revelation. Objectively, it is called ' the light ( φωτισμός' illumination') of the knowledge of the glory of God in the face of Jesus Christ ' ( 2 Corinthians 4:6 ). When there is a search for something new, something different for the insatiable ravenous unquenchable appetites that do not rely on the bread and water of the Lord, it will deplete resources and ultimately fail to come to a successful end. Now it is 2023. Do away with the when's and ifs. Now is the time to give the service to the kingdom that will glorify the Lord. 2023 is the time to testify of the Savior, that He may be lifted up to draw the world unto himself. Today is When. The moment is Now. And walking in the light is How to live in 2023, as the Father has planned to prosper you and not harm you. He has success in store for you and generations to come.

*"Blessed are those who have learned to acclaim you, who walk in the light of your presence, Lord"* (Psalm 89:15). We must always seek God for his wisdom and guidance in all things. Wisdom, especially spiritual wisdom, is not just about knowing what's good for you, but applying that knowledge to your everyday life. When you do that, this is when you know that you are truly wise. The journey of 2023 is beginning. Rest in the Lord for power and strength for the days ahead.

# CREATED FOR THIS TIME!

***“I am your Creator. You were in my care even before you were born”  
(Isaiah 44:2a- CEV).***

God Got It Ministries

Happy New Year my friends, we were created for this time, for this season, for this year 2023. All that you endured in the previous years were merely bridges to get you to this God-ordained purpose. It is not by chance or coincidence that you are reading this article. God's desire for your future has not changed. His will and ways are steadfast and immovable. Despite the struggles, dark days, and sleepless nights, you had to endure. God says, ***“I am your Creator. You were in my care even before you were born” (Isaiah 44:2a).*** You are not here by accident; you were created for such a time as this. And are secured in the arms of God.

God wants you and me to know that this is our time to be refreshed, revive, and restore. For we have a purpose and a destiny. The dreams and visions that you and I saw in our night vision were not just ordinary dreams that would fade away. But they are true and shall surely come to pass!

For the Sovereign Lord created them in us and predetermined their purpose. Our entire life was already planned before he placed us in our mother's womb ***“Every day of my [our] life was recorded in Your [the Lord] book” (Psalm 139:16b).*** God knew the time you were conceived, the month, date, and year you would arrive on this earth. So, wherever we are in life at this moment, know that God has ordained it. With God, there are no happenstances.

Therefore, the time has come to rise from where you are, and to walk in the purpose of God, laying

aside every weight that threatened to hinder your progress. For it is a new year and a new season. This is the year for God's people to be revived and to do exploits. Those who are members of Christ's Body are counted and called to “GO” forth!

My friends, if you are reading this article know that God has a divine purpose for you. It may seem as if your life is topsy-turvy right now. But it is all intertwined with God's preordained will for your life. Jesus is calling, “Come”, will you answer the Call?

God holds our future in his hands. So, do not be afraid, commit yourself to his will and way. ***“For His thought is higher than your thoughts and His ways than our ways” (Paraphrase: Isaiah 55:8-9).*** ***“Remember old things have passed away and all things become new” (2 Corinthians 5:1).*** My friends, let us arise and go forth to do exploits that will benefit the building of God's kingdom and will bring glory to the name of our Lord and Savior Jesus Christ. **YOU WERE CREATED FOR THIS TIME!**  
**ARISE, GO FORTH IN THE NAME OF JESUS!**

**May God Bless You Exponentially in this year, 2023!**

# A Prayer for Wisdom in 2023

Much has taken place in the past year. If we've absorbed the lessons of 2022, we now know we cannot pray yesterday's prayers for today's problems. Life is being magnified as never before. We must live our lives full of purpose, prayerfully, walking circumspectly, not as fools, redeeming the time. Because yes, the days are evil just as the Bible predicted. We have the great privilege and dismay of seeing the scriptures unfold before us on a daily....

- Mass shootings multiplied
- Sickness and disease multiplied
- Spiritual wickedness in high places
- Racial inequity
- Calling right wrong and wrong right.....All multiplied.

But wait, there is Hope! How do we know this? Because when we see these things, we're admonished to look up, lift up our heads because our redemption draws nigh! Hallelujah, Glory to God!

*"To know **wisdom** and instruction; to perceive the words of understanding; To receive the instruction of wisdom, justice, and judgment, and equity; To give subtilty to the simple, to the young man knowledge and discretion. A wise man will hear and will increase learning; and a man of understanding shall attain unto wise counsels: To understand a proverb, and the interpretation; the words of the wise, and their dark sayings. **The fear of the Lord is the beginning of knowledge:** but fools despise **wisdom** and instruction. My son, hear the instruction of thy father and forsake not the law of thy mother: For they shall be an ornament of grace unto thy head, and chains about thy neck." Proverbs 1:2-9 KJV*

## **Let us Pray:**

Father God, in the matchless name of Jesus Christ, we come before You as your servant-daughters and servant-sons, understanding that while we don't understand all of the complexities of this present time, You still Order all things Mightily and You do all things well.

We love You because we know you are Sovereign. We rest in our spirits because You are still in control. You rest rule and abide in 2023 just like every previous year.

Grant us the **Wisdom** to trust in You with all our hearts and lean not to our own understanding. Help us to make correct choices for ourselves and our families and whosoever you have given us a charge over.

Anoint us in this New Year, Jesus. Don't let us walk into 2023 without Your Holy Spirit.

Guide our tongue and give us a Word of **wisdom** for every weary soul and hungry heart we encounter.

Let our tongue be the pen of a writer, ready to inscribe your truth and leave the indelible mark of someone having been with Jesus, whereby men will ask, who is your God? And what must I do to be saved?

We ask it Jesus name,

Amen.

What inspired the poem...

The end of the year invites reflection. During this quiet reflection, I could clearly see how the clamour of every-day life can make walking in your purpose challenging. My hope is to inspire someone else so that they can discover or continue to walk in their purpose.

## **Clamour: An Outcry or Protest.**

*Let all bitterness, and wrath, and anger, and CLAMOUR, and evil speaking, be put away from you, with all malice: and be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you. (Ephesians 4:31-32)*

# NEW BEGINNINGS

Every year and even each day, we have an opportunity to experience new beginnings. Well, you may ask what new beginnings are and how is it possible to have a new beginning. New beginnings mean that you are allowing yourself to do and make changes that will be good for you, your family, those around you, and your community. These changes could entail a new job or entrepreneurship, educational pursuits, fulfilling God's call to ministry, living a life that pleases God, writing a book, hosting a show, or improving one's physical fitness through nutrition and exercise.

We have the opportunity to reset, to begin again, by setting new goals, writing them out, and then taking the necessary steps to bring them to pass. The Bible states that "The steadfast love of the Lord never ceases; His mercies never come to an end; they are new every morning; great is your faithfulness." From this scripture, we are given a new opportunity to reflect on God's love and mercy. His love and mercy never end. The Bible also reveals that God has good plans for each of us. His plans and thoughts for us are for peace to give us a future and hope.

It is through prayer and seeking God for His direction that we discover the path to our new beginnings. The Bible tells us that we can call on God in prayer and He will answer and show us great and mighty things that He has planned for our lives before we were born.

According to the History.com website, making new beginnings or new year's resolutions isn't something new. "Over 4,000 years ago, the ancient Babylonians were the first people to make New Year's resolutions. Under the leadership of Julius Caesar, January 1st was established as the new year and Romans made resolutions to do and live better".

It also stated, that for early Christians, the first day of the new year became the traditional occasion for thinking about one's past mistakes and resolving to do and be better. In 1740, John Wesley created what is known as New Year's Eve or New Year's Day, which is now popular within Protestant churches, African American denominations, and other Christian congregations.

As we enter this New Year of 2023, I pray that you know the Lord Jesus Christ as your Savior. If not, the Bible says that if we confess with our mouths the Lord Jesus and believe in our hearts that God raised Him from the dead, we would be saved. As a new believer, I want you to know that God has promised you that He would always be there for you, and He will lead and guide you in every area of your life. My friend, as you sit and write your goals, God will strengthen you and give you wisdom in accomplishing everything He has placed in your heart.

***Happy New Year and Happy New Beginnings.***

As we look forward to 2023 we ask ourselves: What should we expect? Expect more troubled times. However, the words of Prophet Isaiah state that the people of God can look forward to being comforted. Even when the world is in turmoil, travailing as a woman in labor needing to be delivered. But when it appears as if there is no expedience in relieving the pain, we ask: "What's taking so long?"

Clearly the delay is purposeful; deliverance is inevitable. Even if we know that deliverance is inevitable, we still feel exasperated, worn out, and weary. Although we know that His delay reflects his mercy that extends beyond our self-centered interests, we continue to grumble, complain and shift our attention to self-soothing practices, such as indulgence in unfaithfulness, self-glory, inauthentic religious practices, hatred, and resentment toward one another, rather than spending this time in deliberate self-examination of our heart toward each other and most importantly toward God.

So, Jesus tarries to give us more time to get it right and to be faithful. He tarries to give us more time to respond to the call to be the salt of the earth. He tarries to give us more time to serve and to reach those who have lost their way or who have never found the path to righteousness. He tarries to give us the opportunity to multiply and do greater works. His message has not changed. Speak the truth!

# THE DELAY IS PURPOSEFUL

He is faithful to those of the promise. He is faithful to those who hear His voice and heed his command. If your response is: "Here I am Lord; send me", then go and tell them that He is faithful and will honor his promise to comfort and take care of his sheep, especially in troubled times.

***Remember, you are called to spread the good news: suffering is not meant for us. Suffering is meant for the ungodly, the unrepentant, and the debtors. Tell them that their debts were paid. You are called to comfort!***
